Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

A major new book on Martin Parr explores the photographer's most enduring subject – people – as never before. By turns witty, surprising, and ingenious, Martin Parr's photographs reveal the eccentricities of modern life with affection and insight. This book – published to coincide both with Parr's 2019 exhibition at London's National Portrait Gallery and also the date the UK will leave the EU – examines what it means to be human at a time of both change and retrospection. Bringing together new work from the last decade, *Only Human* explores the concepts of Britishness and national identity through the rituals and habits of everyday life.
