Next-generation 737
airplanes (737-600/-7
00/-800/-900) feature
a new, electronically
based propulsion

Get Free 737

600 700 800

Control system that almost completely replaces the hydromechanical systems used in earlier and current-generation 737 models (737-100/-200/-300/-400/-500). One of the principal differences is the addition of the electronic engine control (EEC), which

Get Free 737

600 700 800

Continuously looks for
and alerts flight crews
to several levels of
faults that could affect
engine operation.

Safety

737-600-700-800-900

*Propulsion Control
System*

It combines the
fuselage of a 737-700
with the strengthened
wings and
undercarriage of the
