Did you know that there's so much you can learn from the early civilizations that are applicable today? You get to learn about useful systems, and concepts that you can apply in your everyday life. Learning about all these is made easy through the child-friendly approach employed in this cool history book. What are you waiting for? Grab a copy now!

Making learning fun and interactive is a surefire way to excite your social studies students. This book includes game-formatted activities for major historical topics. While the goal of these activities is to create excitement and to spark interest in further study, they are also standards based and include grading rubrics and ideas for assessment. Encouraging teamwork, creativity, intelligent reflection, and decision making, the games of Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history. 176pp.

Looks at the ancient civilizations of Egypt, Greece, Rome, China, India, the Americas, and Mesopotamia and discusses the achievements and culture of each.
