The FR-531-2 family radio supports the  
14 FRS channels with a maximum range  
of 2 miles. It offers channel scan and hands-  
free operation. It is a low end, economical  
model but would be a good radio if your  
use is very infrequent, and if you do not  
plan to use it in crowded environments.  
The FR-531-2 is a twin pack and includes  
two radios.
