In the graphic novel Beowulf's color of how he is drawn changes with his age and shows with each age that he is getting significantly older. In the beginning Beowulf is young muscular and he is colored in with bright colors. As book two starts he is drawn with less bright colors and his color seems to be fading away.

But our protagonist isn't merely altruistic, he sees an opportunity to gain greater glory for himself by dueling the beast. And it's this conflict in his character that writer García (On the Graphic Novel) and artist Rubín (The Hero: Book One) exploit in order to bring a fresh, modern spin to the text. García's script hews closely to the events of the original, inventing only some dialog and moments of reflection to deepen the characters, and Rubin's dynamic illustration combines slightly ...

I'm a big fan of the classic Anglo-Saxon epic poem Beowulf. When I found out Markosia would be releasing a 64-page graphic novel adaptation of it written by Stephen L. Stern (Zen Intergalactic Ninja) and illustrated by Christopher Steininger (The White Elephant) I just had to engage Mr. Stern in a battle to the bitter end! Okay, it was just a Q&A.
