Conceived in Liberty is here! After so many years of having to juggle four volumes, the Mises Institute has finally put it altogether in a single, 1,616-page book. This makes it easier to read, and makes clearer just what a contribution this book is to the history of libertarian literature. There's never

political thinker, this giant book is something of a surprise. It is probably his least known treatise. It offers a complete history of the Colonial period of American history, a period lost to students today, who are led to believe American history begins with the US Constitution. Rothbard's ambition was
