Students get insight into themselves while reading about this group of teenagers' journey to self-discovery. Incorporate a variety of challenging questions dealing with opinions of the reader as well as asking for evidence from the text to support those opinions. Come up with reasons why most people tend to be reluctant to speak their mind. Identify what motivated Pastor Don to give free guitar lessons. Students find quotations that may appear next to their picture in a yearbook and reflect on how it applies to them. Write complete sentences using vocabulary words found in the text. Design an information card for the Rhododendron plant. List the main events from the novel in the order in which they happened on a Sequence Chart. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Criss Cross is a Newbery Medal-winning story about several teenage characters living in the small town of Seldem in the 1970s. The story intersects between several characters, each with their own issues and each one trying to discover who they are as individuals. There is the shy, introspective Debbie; the multitalented Lenny; the nerdy, guitar-playing Hector; and the brainy, all-together sister of Hector, Rowanne. Criss Cross is a story that deals with first love, the importance of communication among friends and family, self-identity, and coming-of-age. Each character is portrayed in a refreshingly unique and poignant manner, creating a novel that is both humorous and thought-provoking throughout.

Teaching English as a second or foreign language is full of challenges: How do you hold students' attention? How do you ensure that they get enough practice to really learn? Teaching teenagers presents unique challenges. Teachers are often looking for age- and level-appropriate activities to engage teens' interest while providing meaningful practice. This book presents ideas and techniques appropriate for teenagers, divided into sections for Icebreakers / Warm-ups, Vocabulary Revision, Grammar, Reading, Writing, Speaking, and Listening. Several of the activities are illustrated with photographs from the instructor's own classroom. The Fifty Ways to Teach series gives you a variety of drills, games, techniques, methods, and ideas to help your students learn English. Many require little to no preparation or special materials. The ideas can be used with any textbook, or without a textbook at all. These short, practical guides aim to make your teaching life easier, and your students' lives more rewarding and successful.

For readers interested in the development of major scientific concepts and the role of science in the western world, here is the first conceptually organized historical dictionary of scientific thought. The purpose of the dictionary is to illuminate this history by providing a concise, single volume reference book of short historical accounts of the important themes, ideas, and discoveries of science. Its conceptual approach differentiates the dictionary from previous reference works such as books of scientific biography and makes it a convenient manual both for the general reader and for scientists interested in the origin of concepts in their own and other scientific fields. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

*Salomé: In Every Inch In Every Mile* is Criss Jami's 1st poetry book. It contains a total of 65 poems, each followed by a brief word of thought.
