Don't focus on problems, especially if you are in a low mood or feeling insecure. Wait until your minds are clear. The theory. Pransky believes that focusing on problems is the number one relationship killer. That is because often our thinking around the problem and our reactions to it create issues that otherwise wouldn't exist.

*Don't focus on problems too much* | *Psychologies*

Don't focus on the problem. Focus on the solution. Problems approach us every single day in our life. Some are worse than others, but they are all one in the same. They are problems. Problems suck. Just about everyone agrees on that part. They make life more difficult, cause more problems and on top of that, they are pretty unpredictable.

*Don't focus on the problem. Focus on the solution ...*

Intensification. It's true that when you Focus on a problem, it can seem to get worse. This is what I call intensification. What is happening is that when you bring your attention to something, you become more acutely aware of the pain it is carrying.

*Don't just focus on the problem* | *Focusing with Fiona Parr*

When you go through the storms of life, don't focus on the problem. Focus on God who can solve any problem. If you are sick, focus on His Word regarding healing. If you are poor, focus on His Word regarding prosperity. If you go through the most difficult time in your life, focus on His Word that God is good, His mercy endures forever and everything will be okay in the end.

*Focus On The Solution, Not The Problem ~ Patrick Wanis*

Focusing on the problem instead of the solution has a ton of benefits: You focus your time on the user's need, what you're trying to solve and why you need to solve it – not how. Your research automatically skews towards a deeper understanding of the user.

*Focus on the problem, not the solution - Mind the Product*

Great problem solvers focus on the problem, first and foremost. ... We're all trained to come up with solutions, but if you don't identify the problem - the customer's pain, the roadblock to their ...

*Problem Solvers Focus on the Problem, Not the Solution ...*

Focusing on the promise and not the problem is a discipline of our minds. We will be tempted to focus on the problems and all the ways that things can go wrong. Yet focusing on the problem will tear down our faith and cause us to doubt God's power.

*Focus on the Promise and not the Problem - Daughters of ...*

Taking the time to fully analyze your situation in solitude, while focusing on solutions instead of problems, can revitalize your mind and help you focus on where you are headed, how you feel, and...

*Focus on Solutions, Not Problems*

Every person approaches a problem in a different way. Some focus on the problem or the reason why a problem emerged (problem focused thinking). Others prefer to think about possible solutions that help them to solve a problem (solution focused thinking).

*Problem vs. Solution Focused Thinking*

Addiction can be behind a lack of focus. In many cases it's an addiction that you might not even be acknowledging. This can include shopaholism, internet addiction, social media addiction, or love addiction. Addiction causes the mind to be over-focussed on one thing, leaving less of your mind available to take care of everything else.

*Can't Focus? You Might Have One of These Psychological ...*

"The more you focus on yourself, the more distracted you will be from the proper path. The more you know Him and commune with Him, the more the Spirit will make you like Him. The more you are like Him, the better you will understand His utter sufficiency for all of life's difficulties. And that is the only way to know real satisfaction."

*21 Important Bible Verses About Focusing On God*

Focus on People Is the Problem It's easy for a leader to focus their attention on the person who made the mistake, failed, lost the client, or generally botched things up. That leader can blame the person for what went wrong by yelling at them, by embarrassing them, by threatening them, or by somehow penalizing the individual.

*The Leadership Playbook: Focus on the Problem, Not the ...*

It can help you solve problems or challenges more effectively and reduce your stress levels at the same time. It's all about focusing 99% of your time on the solution and very little time worrying about the actual problem itself. Don't focus on the problem. To solve a problem, you need to be in a resourceful state.

*Focus on the answer, not the problem!* | *Jim's Marketing Blog*

*Focus on problems you created, Atiku tells APC, Presidency ...*

The disciples were focused on the problem. The disciples told Jesus we only have five loaves and two fishes. And you know what happened Jesus blessed it and he gave it to his disciples and the disciples to the multitude and 5,000 men besides women and children were fed. See the disciples focus was off.

*Stay Focused On Jesus - Faithlife Sermons*

Many people let their minds wander toward the negative, which then prompts them to focus on more problems instead of searching for ways to resolve the situation and grow from it. You must begin to start focusing on ways to actually resolve the situation by focusing on solutions.

*Focus on solutions, not problems. - Dr. Ivan Misner®*

If you focus on the problem, negative thoughts can overtake you more readily. Fear, self-doubt and worry may prevent you from moving forward and dealing with the issue at hand. The more you brood, the larger your problem becomes in your mind. But if you focus on the solution, you actively engage your mind in resolving the matter.
