Fight Yourself Defending

You can almost see Death
quietly sitting in

Washington's room, waiting
for permission to take his
life. So your best bet in
your George Washington

fight: Run. Run as fast as
you can, though it probably
won't do much. If

Washington's already decided
that he's won his fight with
you, there's nothing you can
do.

Quotes by Daniel O'Brien

The fighting advice is a good framing technique to inform about interesting facts (though of course not comprehensive) about IS presidents. I was disappointed that DOB didn't include Clinton or the Bushes, but then I realized that giving advice on how to fight presidents who are still living (or were at the time of publication) probably ...
