Students who study literature and read for pleasure have a higher vocabulary, better reading comprehension, and better communication skills, such as writing ability. Communication skills affect people in every area of their lives, from navigating interpersonal relationships to participating in meetings in the workplace to drafting intraoffice memos or reports.

---

## What Literature Can Teach Us - ThoughtCo

Reading was held to be extremely important, but the number of new books one read was entirely by the by. This wasn't principally an economic point. Books were very expensive of course, but this wasn't really the issue. What mattered was to read a few books very well, not squander one's attention promiscuously on a great number of volumes.
