Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign Classroom in a Book (2020 release) from Adobe Press. The project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in easy-to-follow lessons and are designed to train beginning Adobe InDesign users in the program—from fundamental features to powerful layout and output skills. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson. All buyers of the book get full access to the Web Edition: A Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

For any course that includes graphic arts software and computer design software as part of the curriculum. Courses can be found in Office Information Systems, Computer Science, and Fine Arts Departments, as well as Continuing Education, Journalism, and Printing and Lithography. Texts are built with the same pedagogical structure, designed to be used separately or in sets. Already popular in corporate training environments.* NEW - Student Gallery - Included on Student CD-ROM for some courses. * Allows students to view images of completed projects created by other students. * NEW - Demonstration Software - Included on Student CD-ROM for some applications. * Offers students the opportunity to try out demo versions of new graphic arts software applications before purchasing. * Menu of titles to mix and match - Many courses include instruction in more than one software application. * Allows instructors to offer the basics of several programs or to focus on the advanced complexities of the program of their choice. * Project-based instruction. * Lets students learn the basics of the software programs while they complete real-world projects. * Project data available on dual-platform CD-ROM

The fastest, easiest, most comprehensive way to learn Adobe InDesign CC Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Adobe InDesign CC Classroom in a Book contains 16 lessons that cover the basics, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. Purchasing this book gives you access to the downloadable lesson files you need to work through the projects in the book, and to electronic book updates covering new features that Adobe releases for Creative Cloud customers. For access, go to www.peachpit.com/redeem and redeem the unique code provided inside this book. “The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-bystep instructions, and the project files for the students.” Barbara Binder, Adobe Certified Instructor Rocky Mountain Training

Showcases the computer graphics program's updated features while demonstrating fundamental and advanced Pagemaker concepts and displaying professionally designed projects.
