Just An Ordinary Day The actress spent the day indulging in a quick ice bath, looking at cows and receiving an Emmy nomination for her performance on the HBO series.

Kate Winslet Embraced the Ordinary in 'Mare of Easttown' Enough of the extraordinary time we've just lived through. Let's get back to normal! Let's get back to ordinary days, ordinary time, to our ordinary routines, our ordinary life. Day-to-day ...

Faith Matters: The 'ordinary' is just as important This is the season of bugs, and everybody has a story: the stinkbug on the toothbrush, the beetle in the coffee cup, the little green worm on the wheelbarrow handle.

Just Thinking: This housefly was no ordinary pest From the outer of the Melbourne Cricket Ground's Great Southern Stand, ordinary folk boo the members across the ground when they fail to participate in the Mexican wave on Boxing Day. It is a section ...

Inside the exclusive MCC members bar that has plunged Victoria into lockdown - where Melbourne's elite rub shoulders and ordinary fans wait a lifetime to join When the ordinary won't do, treat yourself to something extraordinary: two homes for the price of one at Four Brink Road in Wantage. The main house ...

Two homes for the price of one await in bucolic Wantage Instead, the country unveiled two new monuments to the former president, while the politician himself received a very special birthday gift: a new, eight-hour Nazarbayev documentary, produced by US ...

Oliver Stone's lavish Nazarbayev documentary is just the latest blow to independent Kazakhstani filmmakers Through interviews and recreations, the filmmakers capture Tipton's life and explore how and by whom the history of trans people gets told ...

'No Ordinary Man' Film Review: Meta-Doc Deconstructs Story of Transmasculine Jazz Musician Billy Tipton A recent solar eclipse over the northern hemisphere skirted our home, and we had hoped to see a 25 percent bite of the sun missing just before midday ... analogies between day-to-day occurrences ...

How Missing the Eclipse Is Like an Ordinary Day With MS Wednesday marks our fourth straight day of hitting at least 90 degrees in Washington as we slog through our third heat wave of the season. But there's good news for those who loathe the heat: We're ...

D.C.'s summer heat is near its peak. Up next? The descent toward winter. Summer is in full swing. It's warm but not too hot. The afternoon rain showers are back and everyone seems happy. If you are thinking of going to Vegas, simply don't do it. Stay ...

Red, White and Brew: Something out of the ordinary Today I'm speaking with Parveen Begum, one of the leaders behind Solisco, a company making electro-mobility a reality. Time to learn more about her impact on SDG #7: Affordable and Clean Energy.

Parveen Begum: Leading the Way to Electromobility The risks at a day school are multiplied as there and just too many touch-points which the school management has no control on. They can only manage the campus environment, but what happens ...

What makes fully residential schools safer than ordinary day schools- The Scindia School, Gwalior shows the way In the eyes of most people he was just an ordinary man. But his story was anything but ordinary in my eyes. It is like so many other untold tales in our society of those individuals that are the ...

GUEST COLUMN: Not an ordinary man — a Father's Day tribute Born in a Rajasthan village in the 1920s, Baloo Lal's family could not scrape together two full meals a day. The village lacked ... The book is an ode to ordinary citizens who can provide ...

My Father: The Extraordinary Life of an Ordinary Man Do you look forward to Taco Tuesday each week? Are you constantly thinking about when you can get your next taco? Then spice company McCormick might have the job for you. The food distributor is ...

Nacho ordinary job: McCormick searching for Director of Taco Relations After 40 days without solid food, Rachelle Zola ended her hunger strike for slavery reparations with a few small bites of yogurt last Saturday.

"An anxious devil, a malicious old woman and a mid-century Jack the Ripper; a pursuit though a nightmarish city, a small boy's thrilling train ride with a female thief, and a town where the possibility of evil lurks behind perfect rose bushes. This is the world of Shirley Jackson, by turns frightening, funny, strange and unforgettably revealed in this collection of brilliant stories from the author of 'The Lottery'."

Amanda's ordinary day has her riding to school with a Tyrannosaurus rex, talking after lunch with an alien, sailing a pirate ship at the school library, and riding home on an elephant.

An ordinary day in an ordinary neighborhood turns out to be quite extraordinary in this moving story about the circle of life. It's an average day in the neighborhood—children play, roses are watered, and a crow watches over it all. But then two visitors arrive at two houses, one to help a family say hello to a new baby and one to help a family say goodbye to a beloved pet. This sensitive picture book takes a gentle look at life, death, the bonds of family, and the extraordinary moments that make ordinary days so special.

Shortlisted for the SYRCA 2013 Diamond Willow Award, selected as an American Library Association 2012 Notable Children's Book, a Booklist Editors' Choice, nominated for the OLA Golden Oak Tree Award, and a finalist for the Ruth and Sylvia Schwartz Children's Book Awards: Young Adult/Middle Reader Award, the Governor General's Literary Awards: Children's Text and the Canadian Library Association Book of the Year for Children Award There's not much that upsets young Valli. Even though her days are spent picking coal and fighting with her cousins, life in the coal town of Jharia, India, is the only life she knows. The only sight that fills her with terror are the monsters who live on the other side of the train tracks -- the lepers. Valli and the other children throw stones at them. No matter how hard her life is, she tells herself, at least she will never be one of them. Then she discovers that she is not living with family after all, that her "aunt" was a stranger who was paid money to take Valli off her own family's hands. She decides to leave Jharia ... and so begins a series of adventures that takes her to Kolkata, the city of the gods. It's not so bad. Valli finds that she really doesn't need much to live. She can "borrow" the things she needs and then pass them on to people who need them more than she does. It helps that though her bare feet become raw wounds as she makes her way around the city, she somehow feels no pain. But when she happens to meet a doctor on the ghats by the river, Valli learns that she has leprosy. Despite being given a chance to receive medical care, she cannot bear the thought that she is one of those monsters she has always feared, and she flees, to an uncertain life on the street. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.4.3 Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions). CCSS.ELA-LITERACY.RL.5.3 Compare and contrast two or more characters, settings, or events in a story or drama, drawing on specific details in the text (e.g., how characters interact). CCSS.ELA-LITERACY.RL.6.6 Explain how an author develops the point of view of the narrator or speaker in a text.

The Gift of an Ordinary Day is an intimate memoir of a family in transition-boys becoming teenagers, careers ending and new ones opening up, an attempt to find a deeper sense of place, and a slower pace, in a small New England town. It is a story of mid-life longings and discoveries, of lessons learned in the search for home and a new sense of purpose, and the bittersweet intensity of life with teenagers--holding on, letting go. Poised on the threshold between family life as she's always known it and her older son's departure for college, Kenison is surprised to find that the times she treasures most are the ordinary, unremarkable moments of everyday life, the very moments that she once took for granted, or rushed right through without noticing at all. The relationships, hopes, and dreams that Kenison illuminates will touch women's hearts, and her words will inspire mothers everywhere as they try to make peace with the inevitable changes in store.

What was it about the word 'no' that dogs didn't understand when they were told 'no, don't chase the cat'? Maybe it was some sort of doggy-selective hearing. Sarah had gotten Ruby, a young, lovely Cockapoo, from the local dogs' home after the breakup with her boyfriend, Matt. Feeling down and needing someone special in her life, it seemed they were waiting for each other, men now firmly off the menu, replaced with muddy paws, fresh air and true affection. Life once again felt good. That was until that morning in the park when Ruby spotted a cat and the crazy, unstoppable chase began, putting Sam, the passing BMW driver, now also on the menu as an unexpected extra. For what started off as just an ordinary day, would this make the day better or worse?

As a journalist, Leigh Sales often encounters people experiencing the worst moments of their lives in the full glare of the media. But one particular string of bad news stories - and a terrifying brush with her own mortality - sent her looking for answers about how vulnerable each of us is to a life-changing event. What are our chances of actually experiencing one? What do we fear

most and why? And when the worst does happen, what comes next? In this wise and layered book, Leigh talks intimately with people who've faced the unimaginable, from terrorism to natural disaster to simply being in the wrong place at the wrong time. Expecting broken lives, she instead finds strength, hope, even humour. Leigh brilliantly condenses the cutting-edge research on the way the human brain processes fear and grief, and poses the questions we too often ignore out of awkwardness. Along the way, she offers an unguarded account of her own challenges and what she's learned about coping with life's unexpected blows. Warm, candid and empathetic, this book is about what happens when ordinary people, on ordinary days, are forced to suddenly find the resilience most of us don't know we have.

After a decade of elegant pleasures and luxe living with the Atlanta brothers and sisters with the best clothes and biggest dreams, Ava Johnson has temporarily returned home to Idlewild—her fabulous career and power plans smashed to bits by cold reality. But what she imagines to be the end is, instead, a beginning. Because, in the ten-plus years since Ava left, all the problems of the big city have come to roost in the sleepy North Michigan community whose ordinariness once drove her away; and she cannot turn her back on friends and family who sorely need her in the face of impending trouble and tragedy. Besides which, that one unthinkable, unmistakable thing is now happening to her: Ava Johnson is falling in love. Acclaimed playwright, essayist, New York Times bestselling author, and columnist Pearl Cleage has created a world rich in character, human drama, and deep, compassionate understanding, in a remarkable novel that sizzles with sensuality, hums with gritty truth, and sings and crackles with life-affirming energy.

A celebration of extraordinary teachers! The boy's breakfast is ordinary, his walk to school is ordinary, even his thoughts are ordinary. But when he goes to his classroom and sits down at his desk, his day begins to change - a new teacher, Mr. Gee, bursts into the classroom with an extraordinary idea that challenges all the children to use their imagination. Suddenly an ordinary day is turned topsy-turvy, and the boy is inspired in a way that will change him forever. The rollicking words and pictures celebrate the unexpected in this tribute to great teachers and students everywhere. Once Upon an Ordinary School Day is a 2006 Bank Street - Best Children's Book of the Year.

“One of the 50 Best Nonfiction Books of the Last 25 Years”—Slate On New Year's Day 2013, two-time Pulitzer Prize winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as “ordinary” when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.
