Flora's Typewriter

Flora Thompson often talked about rural poverty and
the life of farm labourers and their families in her
semi-autobiographical trilogy Lark Rise to Candleford,
set at the end of the 19th century.

The real Lark Rise villages

Adaptation of Flora Thompson's memoir of her
Oxfordshire childhood, set in the small hamlet of Lark
Rise and the wealthier neighbouring market town,
Candleford, at the end of the 19th Century.

Don't be discouraged by the not-always-intuitive interface and many instances of commercial breaks even in the paid tiers—Hulu boasts some of the best programming of any streaming service.

Lark Rise to Candleford captures a piece of social history in this ever popular fictional account of an English rural upbringing between the wars. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition contains all three books - Lark Rise, Over to Candleford and Candleford Green with an introduction by Bill Gallagher, screenwriter of the hugely popular BBC television adaptation. Laura Timms spends her childhood in a country hamlet called Lark Rise. An intelligent and enquiring child, she is always attentive to the way of life around her - the lives of a farming

community and nature as it transforms through the seasons, their working lives together and their celebrations. Whilst much is to be admired and cherished about her community, when she looks back on it as an adult she doesn't shy away from describing hardship too. Laura attends the village school and leaves at the age of fourteen to work for the postmistress of the village of Candleford. There her eyes are opened to wider horizons.

Flora Thompson's immortal trilogy, containing "Lark Rise", "Over to Candleford" and "Candleford Green", is a heartwarming portrayal of country life at the close of the 19th century. This story of three closely related Oxfordshire communities—a hamlet, the nearby village and a small market town—is based on the author's experiences during childhood and youth. It chronicles May Day celebrations and forgotten children's games, the daily lives of farmworkers and craftsmen, friends and relations—all painted with a gaiety and freshness of observation that make this trilogy an evocative and sensitive memorial to Victorian rural England.

Lark Rise
Flora Thompson
Flora Thompson (5 December 1876 - 21 May 1947) was an English novelist and poet best known for her semi-autobiographical trilogy about the English countryside, Lark Rise to Candleford.

well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Autobiographical accounts of country life in late nineteenth-century England, chronicle the disappearing traditions and values of hamlet, village, and small market towns

Book Excerpt: ...st and meals and other domestic matters were timed by them. To keep thus ahead of time was an old custom in many country families which was probably instituted to ensure the early rising of man and maid in the days when five or even four o'clock was not thought an unreasonably early hour at which to begin the day's work. The smiths still began work at six and Zillah, the maid, was downstairs before seven, by which time Miss Lane and, later, Laura, was also up and sorting the morning mail. The kitchen was a large room with a flagstone floor and two windows, beneath which stood a long, solid-looking table large enough to accommodate the whole household at mealtimes. The foreman and three young unmarried smiths lived in the house, and each of these had his own place at table. Miss Lane, in a higher chair than the others, known as a carving-chair, sat enthroned at the head of the table, then, on the side facing the windows, came Laura and Matthew, the foreman, with a long space of tablecloth

between them, .

While the Lark Rise to Candleford trilogy, Flora Thompson's much-loved portrait of life in the English countryside, has inspired a hit television series, relatively little is known about the author herself. In this highly original book, bestselling biographer and nature writer Richard Mabey sympathetically retraces her life and her transformation from a post-office clerk who left school at fourteen to a sophisticated professional writer. Revealing how a formidable imagination can arise from the humblest of beginnings, *Dreams of the Good Life* paints a poignant, unforgettable portrait of a working-class woman writer's struggle for creative expression.
