For more than forty years, animal health professionals have turned to the Merck Veterinary Manualfor integrated, concise and reliable veterinary information. Now this manual covering the diagnosis, treatment, and prevention of diseases of companion, food and zoo animals is available on an easy-to-use, fully searchable CD-ROM. The CD includes the full text of The Merck Veterinary Manual 8/e and has been enhanced with picture links featuring original anatomical artwork and numerous clinical and diagnostic illustrations, table links and quick search links that provide quick access to cross referenced text.

This Owners Edition Workshop Manual covers the Mercedes-Benz E Class Diesel W210 & W211 Series from 2000 to 2006, fitted with the 1.8, 2.0, 2.6, 2.8, 3.2, 3.5, 4.3 & 5.0 Litre, 111, 112, 113, 271 & 272, with four, six & eight cylinder petrol engine. It has been specially written for the practical owner who wants to maintain a vehicle in first-class condition and carry out the bulk of his or her own servicing and repairs. Comprehensive step-by-step instructions are provided for service and overhaul operations to guide the reader through what might otherwise be unfamiliar and complicated tasks. Numerous drawings are included to amplify the text. With 190 pages, well illustrated.

From a beloved fantasy author comes this fresh feminist retelling of Sleeping Beauty about one girl destined for greatness—and the powerful sister ready to protect her by any means necessary. Miriam may be the daughter of Queen Alethia of Tiredell, but she's not a princess. She's the child of Alethia and her previous husband, the King's Champion, who died fighting for the king, and she has no ambitions to rule. When her new baby sister Aurora, heir to the throne, is born, she's ecstatic. She adores the baby, who seems perfect in every way. But on the day of Aurora's christening, an uninvited Dark Fae arrives, prepared to curse her, and Miriam discovers she possesses impossible power. Soon, Miriam is charged with being trained in both magic and combat to act as chief protector to her sister. But shadowy threats are moving closer and closer to their kingdom, and Miriam's dark power may not be enough to save everyone she loves, let alone herself.

From the Preface: This manual, Child Protective Services: A Guide for Caseworkers, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based-including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

This book is an E-class buyer's guide, maintenance handbook and technical reference source all wrapped into one. It is full of tech tips, service hints and system descriptions, plus lots of insightful information about the W124 E-Class chassis. This "E-Class Owner's Bible can help steer you through the purchase of your first Mercedes-Benz, provide the information necessary to maintain your E-Class to factory standards, give you the assurance to speak knowledgeably to your service professional and provide you with the hot setup for better road handling. The prospective buyer will also find tips on what to watch out for, why a pre-purchase inspection is important and why one model may be preferred to another. Do-it-Yourself owners will discover a huge hands-on maintenance chapter to help keep their E-Class at peak efficiency. To bring you this authoritative volume, Bentley Publishers has teamed up with Stu Ritter, a 25-year independent Mercedes-Benz repair shop owner/technician and current technical editor of "The Star (the magazine of the Mercedes-Benz Club of America).

From New York Times best-seller and science fiction and fantasy mistress of adventure Mercedes Lackey, #2 in a new pulse-pounding saga of modern-day humans with superpowers. After turning back an invasion of super-science power Nazi war machines, the heroes go on the hunt for the Nazi masters and take the battle to the bad guys. Meta-Heroes Battle On! After an Earth-scarring apocalyptic battle, humanity's meta-heroes must take the fight to the enemy. Their task: hunt down the secret puppetmasters behind the Nazi robot invasion, the Thule Society, and cut off the multi-universe plague the Thulians have unleashed. It's go time once again for the meta-heroes including fire-bender John Murdoch, hacker-witch Vikki Nagy, healer Belladona Blue, super-quick Mercury—and most of all for their ghostly ally, Seraphym, the spirit of the world who uses her secret influence to direct the fight against a Thulian-based tyranny of evil that is fast descending upon the entire universe! From New York Times best-seller and science fiction and fantasy mistress of adventure Mercedes Lackey together with a team of topnotch collaborators, the second entry in the blockbuster saga of superpowers—and the very human men and women who must learn to wield them. About World Divided: "[C]omes together seamlessly. . . an awesome and lightning-paced story; read it on a day when you will not have to put it down."—San Francisco Book Review About Mercedes Lackey: "With [Mercedes Lackey], suspense never lags..." —Kliatt
