Online Library Nursing Notes The Easy Way

Keep Your Notes Simple: Don't write down irrelevant information that has nothing to do with the patient's health. Nursing notes are supposed to be designed to be read quickly. That way the next shift will be caught up on the patient. Always Write Down All

Online Library Nursing Notes The Easy Way

Communication: Write down everything important about the patient's health. Every single discussion you had with the families, doctors, and other medical professionals need to be documented in your nursing notes.

You can also handwrite notes,
and to do that I highly
recommend the Cornell method.
In the Cornell method, you draw a
line down the left side of your
page to create about a 2.5 inch

Online Library Nursing Notes The Easy Way

margin on the left. You'll write your notes on the larger section along the right, and then use the area on the left for labeling the specific topics.
