Dakota farmer. The young man is shocked out of his complacency by an encounter with a UFO in his wheat field. Visiting with his friend and neighbour, Roy, Kurt meets Kerry, a beautiful New York massage therapist on the rebound from a womanizing stockbroker. There is instant chemistry. Kerry goes with Kurt to retrieve a strange device he picked up but left behind in his horse's saddlebag after the UFO encounter. When they stop for gas, Kerry realizes that the car with Florida plates in the adjoining body shop belongs to her Uncle Jim. They find him in a bar across the street, just as he faces off with three young men in a dispute over Bush/Cheney foreign policy. There follows a lengthy, animated, often humorous, and sometimes strained discussion about terrorism, imperialism, and the role of religion in "perpetual war." Jim and his niece are persuaded to spend the night at Kurt's house after Kurt gives an elderly relative, Standing Wolf, a ride home. On the way, they are waylaid by the trio from the bar. They learn that Standing Wolf's granddaughter was recently sexually assaulted by one of the trio. Leaving Standing Wolf's home, they are startled by a brilliant light that illuminates the nearby hill. Yet another mystery awaits at Kurt's house: The device is gone, along with Kurt's horse.

An essential masterwork from Chinese literary giant Lu Yao--winner of the Mao Dun Literature Prize--available for the first time in English. Lu Yao published only two novels before his untimely death--but their extraordinary influence catapulted the author to the top tier of Chinese contemporary fiction, establishing him as one of the most widely read and respected figures in Chinese literature. In this first-ever translation of Lu Yao's *Life*, we meet Gao Jialin, a stubborn, idealistic, and ambitious young man from a small country village whose life is upended when corrupt local politics cost him his beloved job as a schoolteacher, prompting him to reject rural life and try to make it in the big city. Against the vivid, gritty backdrop of 1980s China, Lu Yao traces the proud and passionate Gao Jialin's difficult path to professional, romantic, and personal fulfillment--or at least hard-won acceptance. With the emotional acuity and narrative mastery that secured his reputation as one of China's great novelists, Lu Yao paints a vivid, emotional, and unsparing portrait of contemporary Chinese life, seen through the eyes of a working-class man who refuses to be broken.

Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

In Georgia during the summer of 1976, Gabriel, a white boy who is being bullied, and Frita, an African American girl who is facing prejudice, decide to overcome their many fears together as they enter fifth grade.

A Godsend for anyone who's ever suffered that dread of speaking in public! If, like almost everyone, you're petrified of public speaking, the last thing you want is a lecture! And there lies the brilliance of this unique book's genuinely innovative approach to the issue: Dee Clayton makes the process of overcoming those negative voices in your head (Your 'Public Speaking Monkeys!') and becoming an effective speaker lighthearted and fun! A Godsend for anyone who's ever suffered that dread, Dee's refreshingly simple yet amazingly effective multiawardwinning approach has already helped thousands to overcome their fears and become effective and confident public speakers. Significantly, the author's keenly aware that for most of us, effective public speaking isn't necessarily an end in itself but a means to other ends for example Dee has already helped company directors to persuade more successfully, doctors to win more funding, mediators to

influence international decisions and all kinds of business people to fulfil their potential. What's more, this is a genuinely practical guide! Unlike most 'self help' books on the topic (or any other), this one doesn't just tell you what to do; in her chatty, good-humored style, Dee explains exactly how, sharing her own experiences and coaxing the reader through a programme that doesn't just work it even makes public speaking enjoyable! Taming Your Public Speaking Monkeys® works so well because its easy, enjoyable style is underpinned by Dee's solid, real-life experience of speaking publicly to tens of thousands of people first in her highly successful twenty-year marketing career (communicating for UK household brands such as Jacob's Creek, Pizza Hut and Jammie Dodgers to name but a few) and now as a public speaking training specialist. Equally vitally, the book draws heavily upon the NeuroLinguistic Programming (NLP) techniques and insights in which Dee is a highly experienced Trainer and Master Practitioner. Taming your Public Speaking Monkeys® is a rare find: a self-help book that really helps and best of all the results come to you quickly and stick with you for life!

This lavishly illustrated guide to iconography explains through words and pictures the history, meaning, and purpose of Christian icons as well as the traditional methods that religious painters use to create these luminous, spiritually enlivened works of art. Solrunn Nes, one of Europe's most admired iconographers, illuminates the world of Christian icons, explaining the motifs, gestures, and colors common to these profound symbols of faith. Nes explores in depth a number of famous icons, including those of the Greater Feasts, the Mother of God, and a number of the better-known saints, enriching her discussion with references to Scripture, early Christian writings, and liturgy. She also leads readers through the process and techniques of icon painting, showing each step with photographs, and includes more than fifty of her own original works of art. Deeply inspiring and utterly unique, *The Mystical Language of Icons* will inform both those who are familiar with the rich tradition of religious art and those who are not. It also serves as a powerful devotional resource in its own right, one that Christians everywhere can turn to again and again. Book jacket.
