Radio Shack Cordless Telephone Product Support ...  
Edison Media Research VP of music and programming took nearly a year after the rollout of HD Radio multicast channels to buy a receiver, waiting for the price to go down and the distance/reception issues of some of the earliest receivers to be resolved. Radio Shack's Accurian table top radio seemed to address those issues--particularly with a \$99 price point on the day after Thanksgiving--but ...

First Listen: Radio Shack's \$99 HD Radio - Edison Research  
The NYSP uses a duplex radio system on VHF. You must listen to both the base and mobile frequencies in order to follow the conversation. Numerous Troops/Barracks operate on local conventional frequencies or trunked systems. Check each Troop for more info and links to the trunked systems.
