Saying the prayer, " Jesus, I trust in You, " is easy. Living this prayer as Mary did is not so easy. Mary has learned, though, and as a good Mother, teaches us how to trust, take a step along the path to life, and step upon the serpent who brings distrust and death. Stemming from years of personal prayer and lived experience, Fr. Thaddaeus Lancton, MIC, hopes to encourage the reader to take the next step in their own journey with the Lord.

Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. " This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross, " writes Edward Sri " It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God. " He add, " It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith. "

The prayer "Jesus, I trust in You" is a whole program of life, Fr. Thaddaeus Lancton, MIC, explains in *Stepping on the Serpent: The Journey of Trust with Mary*. In fact, it tells us how to make our pilgrimage home to God the Father through the Son with the assistance of the Holy Spirit, especially through the Church and Our Lady. Father Thaddaeus, a priest with the Marian Fathers of the Immaculate Conception, explains that life is a continual choice between two paths: trust and distrust. A Christian cannot remain neutral. To advance on our journey, we need to know our enemy, Satan, but more importantly, we need to know our companion, the Blessed Virgin Mary. She teaches us how to live the prayer "Jesus, I trust in You" in all our difficulties and trials; recognize the temptations of the serpent of distrust, the devil; step on him; and leave him in the dust. Saying the prayer "Jesus, I trust in You" is easy. Living this prayer, as Mary did, is not. Father Thaddaeus shows us the way. Book jacket.

Long before folks had a television set and radio in every room, they sought entertainment by stepping out for a night on the town. The choices around Cincinnati were nearly limitless: live theater at the Cox; spectacular musicals at the Shubert; hotels featuring fine dining and dance orchestras; talking pictures at everyone's favorite movie palace at the Albee; burlesque and vaudeville shows at the Empress Theater on Vine Street; and gambling casinos were just a short drive across the river in Newport. All of the major entertainment venues in the Queen City during the first half of the 20th century are explored in *Stepping out in Cincinnati*. From saloons to ornate movie palaces and from the Cotton Club to the Capitol, you join those pleasure seekers, getting a real sense of what they saw: wonderful events and their countless images of which fond memories were made. Today, those memories have faded and virtually all of the once-glittering showplaces have been bulldozed into history. But within these pages, we get to experience first hand what it was like to be there. Unique among the many photographs featuring unforgettable movie houses and nightclub orchestras are never-before-published images of actual live vaudeville performances onstage at the Shubert, plus rare, clandestine pictures snapped inside the casinos in Newport. Also revealed are the locations of the better-known speakeasies during Prohibition; where the best halls to dance to live orchestras were; what the earliest movie houses were like; and what black Cincinnatians did for entertainment.
