<p>More and more coaches are becoming credentialed and regularly engage in training and supervision to gain feedback and learn from their peers. Coaches (and the organisations that hire them) recognise the value of continuous professional development and reflective practice to give them a competitive edge. Yet very few leverage their own clients as a source of information in their professional development, despite the fact that clients spend more time observing and experiencing them in practice than all other observers combined. This book will help you make the most of this untapped resource.</p> <p>Applicable to executive coaches worldwide, as well as their educators and supervisors, this book will:</p> <ul style="list-style-type: none">•Highlight effective executive coaching behaviours in relation to two major outcomes of coaching: the strength of the coach-client relationship and the generation of new insights for the client•Present a structured process to educate your clients about the benefits of soliciting their feedback•Offer a protocol to seamlessly ask for client feedback during a coaching session•Demonstrate how to use client feedback to inform reflective practice, whether alone or in educational or supervision settings <p>With a deep evidence-base from the author ' s research in 25 countries, involving over 130 clients of executive coaching, this is compelling and pragmatic reading to support the use of client feedback in practice. " Engaging with this book will prove to be developmental. " —Tatiana Bachkirova, Professor of Coaching Psychology and Co-Director of the International Centre for Coaching and Mentoring Studies at Oxford Brookes University, UK " A must-have book if one wants to succeed in the highly competitive environment of executive coaching. " —Wai K, ICF Master Certified Coach and Managing Partner, JMC Coach Mastery Academy, Malaysia " A welcome insight on how the coach ' s feedback can be used in a structured manner. " —Carola Hieker, Co-Founder and Managing Director of HIL Coaching and Honorary Professor of Transformation Leadership at University College London, UK " A novel and invaluable contribution to the executive coaching literature. " —Alan Sieler, Director, Newfield Institute and Ontological Coaching Institute, Australia " Fresh and well-researched. " —Teresa J Pool, ACTP Director, UT Dallas Executive Coaching Certificate Program, USA Hélène Seiler is an international executive coaching practitioner, supervisor and educator with over 30 years of experience in leadership development and talent management. Hélène has worked and lived in North-America, Western Europe and South-East Asia.</p>
<p>As America ' s best-selling coaching text, <i>Successful Coaching</i> has helped over a million coaches develop their coaching philosophies; improve their communication, teaching, and management skills; and understand their responsibilities as a coach. The updated fourth edition of <i>Successful Coaching</i> offers students as well as new and veteran coaches a comprehensive guide to every aspect of coaching. Written by Rainer Martens, a respected and renowned sport psychologist, longtime coach, and lifelong competitive athlete, <i>Successful Coaching, Fourth Edition</i>, details the principles, knowledge, and skills that will help coaches build a foundation for their decisions and actions. Working through the text, coaches will define their philosophy, identify their objectives, and determine their coaching style. Next, coaches will learn how to become skilled communicators and motivators by applying psychological principles and recommendations for positive management of athletes ' behavior. Knowing the skills required for each sport is as important as knowing how to teach and shape those skills. With <i>Successful Coaching</i>, coaches will become more effective instructors as they learn the games approach to teaching technical and tactical skills, a proven method of helping athletes become smart tactical players of their sports. <i>Successful Coaching</i> also discusses the team management responsibilities of the coach and details how to manage relationships with athletes, other coaches, administrators, medical personnel, officials, parents, and the media. Also addressed are the legal responsibilities of a coach and strategies for reducing risk. Readers will find the latest research in the fields of physical training and nutrition, including new information on creatine, energy drinks, caffeine, and hydration. <i>Successful Coaching</i> also provides a straightforward discussion of drug abuse among athletes, offering all-new content on methamphetamines, prescription drug abuse, and drug-testing recommendations. Sidebars provide focused insights on a range of coaching topics and offer personal encouragement and advice for coaches throughout the season. In addition, quotes from well-known coaches provide perspective on what it takes to be a successful coach. Reflection questions at the end of each chapter encourage readers to think critically about the content and apply it to their own current or future coaching situations. For course adopters, <i>Successful Coaching</i> also includes online access to a full set of instructor resources, including an instructor guide, image bank, and test package. A dedicated website also includes customizable and reproducible forms. Access to the electronic forms and additional online resources are referenced throughout the text. Written by a coach for coaches, <i>Successful Coaching</i> blends the latest research and accepted practices in the sport sciences with practical advice from seasoned coaching veterans. <i>Successful Coaching</i> helps readers think critically about their motivation for being a coach and establish a coaching philosophy and style that pave the way for a fulfilling sport experience for coaches and their athletes. The fourth edition of <i>Successful Coaching</i> has been carefully revised to meet or exceed the guidelines of the National Council for Accreditation for Coaching Education and the recommendations of the National Standards for Sport Coaches.<i>Successful Coaching</i> is the primary text for the <i>Coaching Principles</i> online or classroom course offered by the American Sport Education Program (ASEP). <i>Coaching Principles</i> is a part of ASEP ' s Bronze Level coaching certification, a three-step certification involving coursework essential for coaching any sport, teaching sport first aid, and conveying advanced sport-specific knowledge.</p>
<p>Build Your Coaching Skills to Develop Others Coaching has the power to enhance individual, team, and organizational performance. Its interactive process helps individuals set and act upon goals, make better decisions, and produce results. 10 Steps to Successful Coaching offers meaningful advice to help you embrace and elevate your existing coaching skills, drawing upon your strengths as a leader, colleague, or employee to bring out the strengths of others. This book is an entry point for anyone who wants—or has been asked—to do some formal or informal coaching. It ' s also for anyone who wants to infuse day-to-day interactions in the workplace with a powerful new skill: development through coaching. With coaching skills quickly becoming essential for anyone who wants to help others develop in the workplace, use this book as your road map to being an effective coach who is ready to listen, encourage, and challenge others to greater achievement. Your coachees will enjoy greater job satisfaction and confidence, and your organization will benefit from this cost-effective way of developing employees and improving productivity. You, as a coach, will discover growth in your working relationships and gain a tremendous sense of accomplishment. This second edition addresses coaching in terms of the broader organization; creating a coaching culture; the impact of technology on the coaching relationship; and goal and accountability setting; overcoming obstacles to good listening; and ending the coaching process. You'll find a diverse array of tools to help you along the way. Examples include:</p> <ul style="list-style-type: none">• a development plan to highlight existing coaching skills and areas of opportunity• sample questions to ask during sessions• forms to secure commitment to coaching• an assessment to evaluate your organization ' s coaching culture.
<p>Maximize the development of your athletes and team throughout the year, and just maybe win a postseason title in the process. <i>Coaching Better Every Season: A Year-Round Process for Athlete Development and Program Success</i> presents a blueprint for such success, detailing proven coaching methods and practices in preseason, in-season, postseason, and off-season. The Coach Doc, Dr. Wade Gilbert, shares his research-supported doses of advice that have helped coaches around the globe troubleshoot their ailing programs into title contenders. His field-tested yet innovative prescriptions and protocols for a more professional approach to coaching are sure to produce positive results both in competitive outcomes and in the enjoyment of the experience for athletes and coaches. <i>Coaching Better Every Season</i> applies to all sports and guides coaches through the critical components of continual improvement while progressing from one season to the next in the annual coaching cycle. It also presents many practical exercises and evaluation tools that coaches can apply to athletes and teams at all levels of competition. This text is sure to make every year of coaching a more rewarding, if not a trophy-winning, experience.</p>
<p>Successful sports coaching is as dependent on utilising good teaching and social practices as it is about expertise in sport skills and tactics. <i>Understanding Sports Coaching</i> offers an innovative introduction to the theory and practice of sports coaching, highlighting the social, cultural and pedagogical concepts underpinning good coaching practice. Now in a fully revised and updated second edition, the book explores the complex interplay between coach, athlete, coaching programme and social context, and encourages coaches to develop an open and reflective approach to their own coaching practice. It addresses key issues such as: power and the coach-athlete relationship viewing the athlete as a learner instructional methods and reflection how our view of ability informs assessment coaching philosophy and ethics. <i>Understanding Sports Coaching</i> also includes a full range of practical exercises and case studies designed to encourage coaches to reflect critically upon their own coaching strategies, their interpersonal skills and upon important issues in contemporary sports coaching. This book is essential reading for all students of sports coaching and for any professional coach looking to develop their coaching expertise.</p>
<p><i>Measuring the Success of Coaching: A Step-by-Step Guide for Measuring Impact and Calculating ROI</i> provides an approach for objectively measuring success in coaching, allowing you to develop effective and efficient coaching programs and to demonstrate the return on investment of these programs. Part I of <i>Measuring the Success of Coaching</i> explains the concept of return on investment (ROI) in personnel coaching programs and how to measure it accurately. Part II consists of relevant, highly detailed case studies that show " evaluation in action, " demonstrating how actual organisations have implemented coaching programs and effectively measured the ROI of those programs.</p>
<p>The <i>Process of Highly Effective Coaching</i> offers a unique blend of theory and practical methods for conducting effective coaching conversations. It provides an umbrella under which all of the major conceptual models for helping people change can not only coexist but work together. In addition to using this integrative approach, <i>The Process of Highly Effective Coaching</i> presents a framework for conducting coaching conversations and for relating the coaching process to the coaching competencies defined by the International Coach Federation, the largest coach-credentialing organization in the world.</p>
<p>This comprehensive text includes content on how to communicate and motivate players, as well as manage problem behaviours among athletes with a positive approach. It provides a full introduction to the games approach to coaching and strategic advice on how to incorporate this into a successful programme.</p>
<p>Most managers coach employees by giving them feedback and evaluating their performance, right? Wrong. Coaching differs markedly from other managerial functions. With its wealth of tips, worksheets, and self-assessments, this handy guide shows managers how to use coaching—not only to strengthen direct reports ' skills but also to rev up their performance to unprecedented levels.</p>
