Tear (Seaside #1) Rachel Van Dyken. Chapter One. It was a normal day in my normal life, and it should have been everything I've come to expect in the sleepy town of Seaside, Oregon. I'd wake up, brush my teeth, careful to sing Happy Birthday at least three times before I stopped. I was paranoid like that.

From #1 New York Times bestselling author Rachel Van Dyken comes the next standalone rockstar romance in her Seaside Pictures series...I had his posters on my wall when I was sixteen and when I accidentally got pregnant in high school-his was the face I dreamt of when I closed my eyes at night.Now, over twenty years later, that dream's turned into a reality.Not only is Drew Amhurst in my tiny town of Seaside, live and in the flesh...But he's mentoring my rockstar son.Drew says he's mine for a week.And he made me three promises. "No strings attached.""No falling in love.""It's only seven days." He's confident that he can help me rediscover myself both in and out of the bedroom, and I'm confident that he's too arrogant for his own good.And at the end of seven days, he swears he'll walk out of my life the way he came into it. The only problem is, the more I get to know him, the more I want to surrender the last pieces of my heart and beg him to stay.

One girl. Two brothers. Who knew that the sleepy town of Seaside, Oregon would eventually be the location of both our downfall and our redemption? Drugs, sex, lies, shame... it all led us to the Coast. It led us to her. And ever since we met her. Our lives have never been the same. You may think you know what really happened - but you don't. After all, there's two sides to every story. This is ours.

Losing your ability to speak at the age of seventeen; it's not normal or fair. But trauma, has a way of throwing normality out the window. Dani lives anything but a normal life. Her sister is married to one of the biggest names in Hollywood. Her best friends are rockstar duo AD2. And she has more love around her than most people experience in a lifetime. But that doesn't change the fact their parents are dead. Or that it's her fault. It seems her new normal is being a mute, living on the inside, unable to actually communicate on the outside. That is until Hollywood's newest heartthrob Lincoln Greene hires her as his assistant for the summer. He's gorgeous, completely unavailable, and unobtainable. But that doesn't stop her from wondering...if things were different...would he want her? If she was whole, would he be the other half?

Sometimes the only way to heal... is to shatter. Rock star Alec Daniels has it all. Love, fame, money... But being in the limelight isn't all it's cracked up to be, and after one bad choice comes back to haunt him he is left picking up the pieces of his carefully constructed life. Now he faces the toughest decision of his life: Deal with his mistake like a man, or dive back into the dark hole of depression, drugs, and denial that have been his comfort for so long. One wrong move could destroy everything. His girlfriend, his family, and his future. *This is a New Adult Book, blood, violence, cursing, sexual references, and drug use. Not recommended for those under 17*

From #1 New York Times Bestselling Author Rachel Van Dyken...Tear: A Seaside Novel. Life as a teenager is never easy. But for Natalee Murray, things have just gotten way more difficult. Bored with life, she can't wait to graduate high school and get out of town, especially considering the famous band members from AD2 suddenly start attending her school, making her once boring life, absolutely insane. It starts with a pen. A single brush of fingers, and she is captivated. But Alec and Demetri have a dark secret, one that could shatter their reputations and Natalee's heart. What do you do when one guy paints your life with color while the other infuses your soul with passion? How do you choose when your heart is divided? Pull: A Seaside Novel Jaded rock star, Demetri Daniels, is in Hell 04 also known as Seaside, Oregon. Sent to rehab after nearly getting himself killed last year, his record company wants nothing more than for him to lay low, away from the limelight. Irritated and more alone than he's ever been in his life, Demetri tries desperately to rebuild his shattered reputation as a drug addict and player, which proves to be difficult when he meets Alyssa. Alyssa is everything he should stay away from. She's beautiful, smart, but above all else, she's damaged. And one thing Demetri has learned is two broken hearts don't equal a whole. In the end, he has to decide if he can rise above the life he's created in learning from his past mistakes, or fall into the darkness of his choices. Shatter: A Seaside Novel Sometimes the only way to heal... is to shatter. Rock star Alec Daniels has it all. Love, fame, money... But being in the limelight isn't all it's cracked up to be, and after one bad choice comes back to haunt him he is left picking up the pieces of his carefully constructed life. Now he faces the toughest decision of his life: Deal with his mistake like a man, or dive back into the dark hole of depression, drugs, and denial that have been his comfort for so long. One wrong move could destroy everything. His girlfriend, his family, and his future. Forever: A Seaside Novella Men

fall hard. Rock stars? Fall the hardest. This is the conclusion to Alec and Nat's story.

My name is shouted on rooftops. It's written on bras, on the inside of bathroom stalls, hell my name is everywhere. To say my name is to experience an orgasm without ever leaving your damn house. My name is Zane "Saint" Andrews. I'm sex. I'm a rock god. I'm also...a virgin. What they don't know won't kill them right? Give the people what they want. And what they want is the idea of me; the pleasure they gain at listening to my song and knowing without a doubt I'm talking about them and only them. It worked for a while. Until a nerdy girl with glasses falls at my feet, literally, and suddenly I don't want to be Saint anymore, what I want? What I really need? Is to be kept. By her. #1 New York Times Bestseller Two weeks running... This is a rockstar romance with lots of kissing, sex, funny one liners, and life from a different angle. I hope you guys enjoy, and remember, it's all about the mallow.

Steal, the follow-up standalone rockstar romance to the #1 New York Times Bestseller Keep... It's easy to lose yourself in someone you love. Easier to lose yourself in someone you hate... I didn't think it could get any worse than having to babysit a bunch of spoiled musicians on set — keeping them out of trouble is a cakewalk compared to seeing my ex every day. Seaside, Oregon isn't big enough for the both of us. She hates me. I loathe her. The plan was simple — stay the hell away and make sure she gets to set on time. What I didn't expect was to be faced with our past in front of an audience — and be forced to face it again. It's torture. The way she looks at me. The way I try to look through her. Words left unsaid. The lingering aftermath still as powerful as ever. I feed the chasm between us, for fear that she'll make me feel again — and steal the last shred of heart I have left. We have everything but each other. It's not enough. Not when you've lost love. And replaced it with the only thing left — hate.

She's no Sleeping Beauty. And he's definitely no prince . . . Margot McCleery could have lived her whole life without seeing Bentley Wellington again—her ex-best friend and the poster boy for Hot, Rich Man-Whores everywhere. But Margot's whiskey-augmented grandmother "buys" Bentley at a charity bachelor auction, and now suddenly he's at her door. Impossibly charming. Impossibly sexy. And still a complete and utter jackass. Bentley's just been coerced by his grandfather to spend the next thirty days charming and romancing the reclusive red-haired beauty who hates him. The woman he abandoned when she needed him the most. Bentley knows just as much about romance as he knows about love-nothing. But the more time he spends with Margot, the more he realizes that "just friends" will never be enough. Now all he has to do is convince her to trust him with her heart .
