Join Geronimo for his biggest, most fabumouse adventure yet! Dragons, mermaids, and much, much more await readers in this very special edition!I knew from the start that it was no ordinary day, but I certainly didn't expect to find a golden staircase in my attic. Up at the top, there was a door. And beyond the door was a world I never could have imagined -- the Kingdom of Fantasy! Along with my guide, a frog named Scribblehopper, I set off on an incredible adventure to save the Queen of the Fairies. But along the way, I had to face giant scorpions, witches, sea serpents, pixies, and dozens of other creatures that I had only ever heard stories about. Holey cheese, what a journey! Could I save the Queen ... and my own tail?

The quest for paradise : : the return to the Kingdom of ...

Geronimo's sixth magical expedition! I, Geronimo Stilton, was shocked to find myself back in the Kingdom of Fantasy for a sixth time. I was needed to fulfill the Ancient Gemstone Prophecy! The evil empress of the witches was after the Royal Sapphire. If she united it with her Royal Ruby, it would give her immense power. The entire Kingdom of Fantasy was in danger! It was up to me to find the two gemstones first, with the help of new friends -- and this time, I had to travel in disguise. Cheese niblets! What an incredible journey!

The story is about a golden-haired youth who wanders into the city of Teloth, telling tales of the great city of Aira, where he was prince. While Iranon enjoys singing and telling his tales of wonder, few appreciate it. A city solon even orders Iranon to cease his singing & music, and become apprenticed to the cobbler - or leave the city by sunset. When a disenfranchised boy named Romnod suggests leaving Teloth to go to the famed city of Oonai (which he thinks may be Aira, now under a different name), Iranon takes him up on his offer.

Nothing ever happens in Dawson, Colorado. Until high school senior Cassidy Roekieml's mom checks into a wellness center,) but nothing is wrong with her. Then people start seeing lights in the sky and missing chunks of time, but the town insists nothing is going on. And now Hayden, the new boy at school who keeps to himself and is more than a little mysterious, starts to notice her like it's nothing out of the ordinary. Suddenly, [nothing] is starting to feel a whole lot like something. And everything leads back to Hayden. The boy she's starting to fall for. The boy with too many dark secrets for his kind heart. The boy she's pretty sure isn't human...

"The teenage daughter of the chairman of the county commission is murdered a few weeks before Election Day. Cara Wicklow was blonde, beautiful and a twin. She was also the chairman's 'wild child' and was attending a local boarding school for wealthy troubled girls. Who killed Cara? Caught up in the murder investigation and a new life in Florida is transplanted New York journalist, A.J. 'Jazz' Billings. While reporting on Cara's murder and the strict school she attended, Jazz discovers a secret sorority and its dangerous initiation. Is it politics or teenage secrets that caused Cara's death? And is the sudden disappearance of the boyfriend of Jazz's new friend related? There's trouble in paradise for Jazz and her stud-dog Labrador Retriever, Willie." -- p. [4] of cover.

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual his-tory that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

Paradise Lost is the most complete and important epic poem in the English language, and it was written by a singular poet, polyglot and with a careful classical education, who had to live one of the most turbulent periods in the history of England: the Civil War, the Cromwell Republic, and the monarchical restoration, all in the middle decades of the seventeenth century. John Milton worked on the project of this great epic and "encyclopedic" poem for at least a couple of decades, his sources of inspiration being very diverse: the Bible, the Virgilian Aeneid, Ariosto's Orlando furioso, Dante's Divine Comedy, etc. The central theme of the work is the fall of man into sin and the loss of Paradise, but for a proper reading the epic character of the work must be taken into account, something that Milton never forgets.
