I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

Special Make-Up Effects concentrates on the genre of horror characters and other special creations (fantasy, sci-fi, etc), giving tips about the materials, techniques, and 'tricks of the trade' necessary to create unique make-up effects. This focused volume is a scaled-down version of Vincent Kehoe's encyclopedic reference for professional make-up artists. It contains new segments and photographs. This book shows how many of cinema's most famous characters and effects were developed. It gives students and make-up artists the techniques they need to perform their own magic.

Build your skills and confidence in digital photography with practical and inspirational advice from Tom Ang. Find your inner photographer and get the most out of your camera with Digital Photography Essentials. Packed with expert knowledge, it is the perfect combination of practical photography advice and visual inspiration to help you make your own digital masterpieces in a flash.
