In "Zig Zag: The Surprising Path to Greater Creativity," Keith Sawyer outlines 8 stages of the creative process. But rather than following a clear and direct path forward, the path to greater creativity has more zigs and zags; it's unpredictable, erratic, and yes, surprising. Here are my three biggest takeaways.

I prefer the metaphor of the zig zag, because “ pivot ” makes it sound like it ’ s a one-time event, whereas in my research, the successful companies are constantly making minor tweaks, and even switching direction dramatically, a lot more than just one time. The path to success is a continuing zig zag; it ’ s never just one change in direction.
